**RESOLUTION
NUMBER 886
AUTHORIZING THE
EXECUTION AND
DELIVERY OF A
JOINT
PARTICIPATION
AGREEMENT WITH
THE CACHUMA
OPERATION AND
MAINTENANCE
BOARD AND
AUTHORIZING
CERTAIN OTHER
ACTIONS**

General Manager Hamilton presented a summary of six options relative to participation in the proposed COMB bond issue for the proposed COMB Capital Improvement Program. They included variations of bond funding and new cost sharing measures as well as self funding (pay as you go) utilizing reserves and new cost sharing measures. A sixth option, recently developed with the assistance of the COMB bond Financial Advisor David Brodsky, and recommended by Mr. Hamilton, included both bond and self funding, whereby the so-called second barrel project in Goleta would be funded by bonds, and the remaining COMB CIP projects would be self funded with the use of District reserves. Following a lengthy discussion, and dissent expressed by Directors Van Wingerden, Roberts and Drain about the District adding to its long term debt with any amount of bond funding, President Lemere tabled the matter for further consideration at a special Board meeting to be held on Friday, October 23, at 4 pm in the Board room at the District.

**RESOLUTION

**PROPOSED
MONTECITO WATER
DISTRICT-
LAMBERT ROAD
REORGANIZATION**

Mr. Hamilton reported briefly that he understood that Montecito Water District was progressing with its proposal to the District for the Lambert Road Reorganization with terms that would not burden the District with any costs related to the 1920's pipeline in Lambert Road, slated for replacement by Montecito Water District. No action was taken.

**STATUS OF INITIAL
STUDY/NEGATIVE
DECLARATION FOR
DETERMINATION
AND DISPOSITION
OF STATE WATER
PROJECT
ALLOTMENT
SURPLUS**

Mr. Hamilton reported that the comment period for the District's Initial Study/Negative Declaration for the Determination and Disposition of State Water Project Allotment Surplus had ended. He noted that two comment letters had been received, one from the County of Santa Barbara, and one from the Environmental Defense Center. He reported that staff and legal counsel are working on letter responses for subsequent presentation to the Board well in advance of possible adoption of the IS/ND. Director Lieberknecht requested copies of the EDC and County letters in advance and Mr. Hamilton responded that he would distribute them at Friday's Special Board meeting. No action was taken.
