

## State Water Efficiency and Enhancement Program

The State Water Efficiency and Enhancement Program (SWEEP) helps to implement on-farm irrigation systems that reduce energy use resulting in greenhouse gas (GHGs) emission reductions and water savings. The California Department of Food and Agriculture (CDFA) anticipates awarding up to \$16 million directly to agriculture operations for eligible projects. SWEEP is funded through the Greenhouse Gas Reduction Fund referred to as the “California Climate Investments” program and is administered in cooperation with Department of Water Resources and the State Water Resources Control Board.

### Who is eligible to apply?

The project installation must be on a California agricultural operation. For the purpose of this program, an agricultural operation is defined as row, vineyard, field and tree crops, commercial nurseries, nursery stock production, and greenhouse operations.

### When are applications due?

Grant applications are due by Friday, January 8, 2016 by 5:00 pm PST.

### Attend our free workshops/webinars for more information!

To register, email [grants@cdfa.ca.gov](mailto:grants@cdfa.ca.gov) with your name and contact information, the workshop/webinar you would like to attend, and the number of seats required.

#### **Kern County Workshop** Tuesday,

December 1, 2015

1:00 - 4:00 p.m.

University of California Cooperative  
Extension 1031 S. Mt. Vernon Avenue  
Bakersfield, CA 93307

#### **Orange County Workshop** Friday,

December 4, 2015

1:00 - 4:00 p.m.

Orange County Fair and Event Center  
88 Fair Dr.  
Costa Mesa, CA 92626

#### **Sacramento County Workshop**

Tuesday, December 8, 2015

9:00 - 4:00 p.m.

California Department of Food & Agriculture  
1220 N Street, Auditorium Sacramento, CA  
95814

#### **Merced County Workshop**

Wednesday, December 9, 2015

1:00 - 4:00 p.m.

Lake County Board of Supervisors Chambers  
Courthouse at 255 North Forbes Street
