Address: _____ Phone # (_____) _____ - _____
(Mailing Address)

City: _____ State _____ Zip _____
(Mailing Address)

Water Account Number: _____ Service Address: _____

How Did You Hear About the Rebate? _____

The Carpinteria Valley Water District (CVWD) is offering rebates for upgrades to irrigation systems and landscaping to increase water efficiency. **PROJECTS MUST BE APPROVED IN ADVANCE. THE PROGRAM IS NOT RETROACTIVE. LANDSCAPES FOR NEW CONSTRUCTION ARE NOT ELIGIBLE.** Sales receipts and/or contractor invoices are required for all rebates. Only the retail cost of material will be rebated. Performance based rebate program. Project must result in a net reduction in total landscape water consumption for the site.

How Much Is The Rebate?

The program covers a portion of the cost of approved irrigation equipment and landscape materials.

- **Irrigation Equipment:** 50% of the cost of drip irrigation parts, sprinkler system efficiency retrofits, sprinkler nozzles (delivering 1"/hour or less with proper pressure), pressure compensating heads, pressure regulators.
- **Water Wise Plants, Mulch, and Permeable landscape material:** 50% of the cost of water wise plants, mulch. Permeable landscape to include synthetic turf, gravel, cobbles up to 4", flagstone or similar with a minimum of 4" spacing. Planted areas must be covered with a 3-inch layer of mulch. Hardscapes and pathways, including decomposed granite, are not eligible.
- **Smart Irrigation Controller:** 50% of cost of a smart irrigation controller. Smart irrigation controllers work on a simple principle: automatically adjust for weather changes, and irrigate based on the needs of your plants.

Any combination of items above may qualify for a maximum rebate amount of \$1,000 for commercial, multi-residential or HOA customers.

How Do I Participate?

- Step 1:** Make an appointment for a "Pre-Qualification Inspection" site visit with a Water Conservation Program representative. If your project qualifies, you will receive the pre-qualified list of items eligible for rebate.
- Step 2:** The purchase and installation of all equipment denoted by Water Conservation staff under the heading of "Pre-Qualified Equipment" must be installed within **120 days** of the date of the Pre-Qualification Inspection.
- Step 4:** Call for a final "Post-Installation Inspection" appointment within **120 days**. Receipts are required for all rebates. Ask your contractor for a separate invoice for materials stating: "Labor billed separately."
- Step 5:** Be ready to show your finished project. Rebate check will be issued within 30 days of final inspection.

TERMS & CONDITIONS

1. The Applicant applying for the rebate(s) must be a Carpinteria Valley Water District customer.
2. Only Pre-Qualified Equipment as determined by a Water Conservation staff member, upon verification of anticipated water savings, shall qualify for a rebate after installed.
3. All Pre-Qualified Equipment as detailed on this application is valid for 120 days from the Pre-Qualification Inspection date.
4. The purchase and installation of all equipment denoted by Water Conservation staff under the heading of "Pre-Qualified Equipment" must be installed within 120 days of the date of the Pre-Qualification Inspection.
5. The reverse side of this form must be completely filled out.
6. Applicant must attach a legible copy of the valid, dated sales receipts for materials only to this application to qualify.
7. Rebates shall be on a one-time basis per address or customer.
8. A Post-Installation Inspection of the property to verify model, type and installation within 120 days of the date of the Pre-Qualification Inspection is required.
9. Before and After photographs are required.

Note: Rebate amounts are subject to change without prior notice and based upon availability of funds

PRE-QUALIFICATION: You are pre-qualified for a potential rebate for CVWD-approved irrigation equipment and planting materials as denoted by staff on the table below under heading "Pre-Qualified Equipment". Once installed, (1) Complete the section under the heading "Installed Equipment," then (2) Contact the Water Conservation Office at (805) 684-2816 ext. 116 for a post-inspection within 120 days of the "pre-qualification inspection" date.

Your **Pre-Qualification Inspection Date** is: _____

PRE-QUALIFIED EQUIPMENT			INSTALLED EQUIPMENT
<i>(Official Use Only – Initial Inspection)</i>			<i>(Customer Use Only)</i>
Smart Irrigation Controller(s)			Smart Irrigation Controller(s)
	<input type="checkbox"/>		
Pressure Regulator/Pressure compensating sprinkler bodies			Pressure Regulator Equipment
Pressure Regulation	<input type="checkbox"/>		
Rain Sensors			Rain Sensors
	<input type="checkbox"/>		
Water Wise Plants / Permeable Surface *Only for replacing lawn or high water using plants			Water Wise Plants/Permeable Surface
	<input type="checkbox"/>		
Mulch * 3" deep			Mulch
	<input type="checkbox"/>		
Sprinklers *Only for replacing existing 2" or inefficient, old pop-up heads			Sprinklers
4" or 6" Pop-Up's w/ Check Valves	<input type="checkbox"/>		
Low Precipitation Rate/Rotating Nozzles (rate of 1"/ hour or less with correct pressure)			Rotating Nozzles
	<input type="checkbox"/>		
Irrigation Submeter	<input type="checkbox"/>		Irrigation Submeter
Drip Conversion			Drip Conversion
Recommended Equipment	<input type="checkbox"/>		
Laundry to Landscape Graywater System			Laundry to Landscape Graywater System
Recommended Equipment	<input type="checkbox"/>		
Design Services	<input type="checkbox"/>	50% of the cost of design services, up to a maximum of \$250	Design Services

By signing below, you indicate that you agree to the "**Terms and Conditions**" of the Smart Landscape Rebate Program as detailed on this form. Please, note that any and all applicable rebates are only valid for a period of 120 days following the date of the **Pre-Qualification Inspection**. It is the **applicant's responsibility to arrange a Post Installation Inspection** within the 120 day period following the **Pre-Qualification Inspection**. Failure to comply with these terms and conditions are automatic grounds for disqualification from the program. Call (805) 684-2816 ext. 116 to schedule a Post Installation Inspection.

The applicant, on behalf of itself and any agent or employee, authorizes the Carpinteria Valley Water District (CVWD), or anyone authorized by CVWD, to use and reproduce in any format including, but not limited to, print or electronic, any visual representation, photograph or video footage taken of me and/or my home and/or landscaping for any purpose, without compensation or limitation. My rights to any and all video and images, together with the prints, are owned by the Carpinteria Valley Water District.
